Dear Colleague,

I would like to share some news with you regarding my future in medicine. I have made the decision to retire from my medical practice on June 30, 2026.

I am happy to announce that Dr. Neha Savalia will be joining our medical group in July 2026. Dr. Savalia is an experienced Internist who has been in practice for 20 years and I have great confidence that she will provide the highest standard of care.

Tustin Irvine Internal Medicine Group is fully committed to your patients' health with the expertise and compassion to provide the quality care they deserve. Thank you for entrusting our practice with the care of your patients over the years.

Sincerely,
